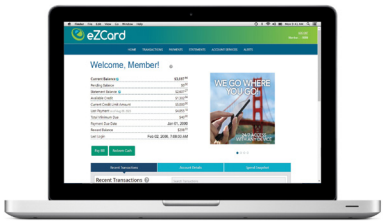
Visa® Balance Transfer

Use **EZCard** for balance transfers to your HFDFCU Visa Platinum credit card

With our credit card portal called EZCard, it's easy to manage your HFDFCU Visa Platinum credit card

Verify promotional rates first!

EZCard will not display any promotional balance transfer rates. Be sure to verify your eligible rate before starting.



Use EZCard to start a balance transfer to your HFDFCU Visa® Platinum credit card

Self-service, online balance transfers ensure quicker payment of your outside balances

1. Start at the **EZCard** home page
   View instructions at right on how to access EZCard
2. Tap the ***Account Services*** menu
3. Tap ***New Balance Transfer***
4. Enter the requested ***Balance Transfer Information***, including your outside account number, transfer amount, institution name, and payment remittance address
5. Tap ***Add More*** for additional balance transfers or tap ***Next*** to complete this balance transfer
6. Follow the prompts to confirm your requested balance transfer(s) and wait for confirmation

Access EZCard from inside RescueNet online banking

EZCard requires a tablet, desktop, or mobile browser (like Safari or Chrome), and not the RescueNet mobile app

- Log-in to **RescueNet online banking**
- At the RescueNet home page, tap ***+Loan Accounts*** to view a list of your loans and credit card accounts
- Tap your **active credit card account**, which you can verify with the last 4 digits of your card number
- Tap ***Continue*** to confirm your card number
- A new browser will appear displaying the EZCard credit card portal

Additional features available in EZCard

- View and manage **1% Cash Back Rewards**
- View and manage **ScoreMore Deals** — Bonus rewards and redemption offers
- View **Visa credit card statements** — Also enroll in **Visa credit card E-Statements**
- **Make payments** to your Visa credit card — Set-up one-time or recurring payments from HFDFCU or outside accounts
- **Report a transaction** as disputed or fraudulent
- Set-up account and **transaction alerts**
